

**IT'S AFTER THANKSGIVING!
WAKE UP AND SMELL THE STENCH OF WAR!**

PLEASE: "NO BUYING WHILE PEOPLE ARE DYING" in Iraq

CodePINKers & our allies have made a commitment to NOT shop this holiday: instead we "mourn the dead and fight for the living" in Iraq. We remember both Americans and Iraqis killed in this illegal, immoral, horrific war. We call for the new, Democrat-led Congress to heed the "Mandate for Peace" we issued on Nov 7th: to stop funding the war, to use our tax dollars to bring our troops home NOW, and to pay reparations to the Iraqi people. We call for all US corporations to leave Iraq NOW: no more war profiteering!

What you can do: PLEASE JOIN US!

- 1) STOP SHOPPING this holiday season, especially for more gifts and stuff, as a symbolic protest against the war
- 2) DONATE what you are planning to spend on holiday gifts and goodies to Veterans for Peace, Iraq Veterans Against War, CodePINK, or another peace and/or Civil Rights group.
- 3) REMEMBER all who suffer, both in Iraq and in the US, from this war; be part of ending this war, not part of perpetuating this war!

TOGETHER WE CAN END THIS WAR!
